Short History of MK Irish FC

On June 1st 2020 the club was formed when Milton Keynes Robins, Unite MK and Milton Keynes Irish Veterans joined together to operate as one club going into the 2020/21 season, Milton Keynes Irish FC! The first team playing at Step 6 in the Spartan South Midlands Division One, the newly formed reserve team playing in the UCL Reserve Division and the Veterans playing in the Veterans League Division One. There are also an adult team in the Milton Keynes Sunday League.

Our first season as a club was unfortunately brought to an early finish due to the effects of COVID-19. The 2020/21 season was looking to be very promising as we found the first team sitting second in the table after 9 games played with the best PPG in the league and went on an exciting run in the FA Vase which saw us get knocked out in the 3rd round on penalties after advancing through 4 rounds beating three higher league opposition.

The season was officially curtailed, however due to performances under Milton Keynes Robins, the club earned promotion to the Spartan South Midlands Premier Division (Step 5) based on PPG over the previous 2 seasons.

2021 also saw the addition of an U18 Floodlit team (run by MK College under the Adopt a Team Scheme) and another 5 youth teams who came over to join under the MK Irish banner from Scot FC, increasing the number of teams to 11, another 2 youth teams were added in 2022.

FOOTBALL can so often help raise a smile. Of course, there are concerns around the increase in energy costs and how it could impact clubs. Even more seriously this season we've seen the issue of poor fan behaviour continue to rear its ugly head. Some clubs are trying to tackle that problem head on and the number of statements addressing the issue certainly appears to be on the rise. But less than two months into the season, there has been plenty to restore your faith in the game too. Take a lovely tale from Witton Albion, written by our long-time contributor Andy Simpson. The Northern Premier League club recently gave supporter George Jones an afternoon to remember. The 92-year-old has supported Albion quite literally all his life, first watching them back in the 1930s. But little did he know when the recent job vacancy came around, grandson Anthony submitted an application on behalf of the stalwart supporter. A list of George's strengths included player mediation sessions mainly over cups of tea, youth development from raising three children, seven grandchildren and two great-grandchildren, plus a secret weapon – a lucky hat he wore during Witton's run to the FA Trophy final in 1992. While Jon Macken got the nod, the club decided George was deserving of a VIP afternoon. Macken opened the dressing room door for George to see a team-talk – even gave up his parking space close to the front entrance – and it worked as they won their first game of the season against Workington. "There are no hard feelings," quipped George about missing out on the job to Macken after meeting the former Manchester City striker and trying his office chair for size. "He's made a good start, to be fair, and I reckon they should stick with him. I can't believe all this has happened to me, it's been a bit overwhelming." Another feel-good story came from Pershore Town and their cheeky calendar with a very positive message. Players from the Hellenic League Division One side – known as the Plums – bared all in support of #CHECKYOURPLUMS after team-mate Will Green was diagnosed with testicular cancer aged 23. Pershore hope to raise £5,000 through the calendar to support Will through his journey back to full health. So the players stripped off to pose for photos with a big launch at the club next month set to be attended by the OddBalls Foundation to provide an education talk for youth team and first team players, plus a pop-up testing centre. In our job, we get to see so many great initiatives going on at clubs every week. Perhaps in the heat of battle we underestimate, or even forget, the power of good football can bring. For young and old.

ROTHWELL CORINTHIANS FC – A BRIEF HISTORY

Rothwell Corinthians began to play competitive football in 1934 when they joined the Kettering and District Amateur League. The idea of the team was first put forward in a terrace house in Littlewood Street. At that time the league had three divisions and the Corinthians were placed in the Second Division. When football resumed after the second World War, the Corinthians were playing at the old recreation ground. This venue was their headquarters for the majority of the next twenty years. The Corinthians introduced their first reserve team into the league in 1950 and, nine years later, they brought the first senior league honours to the club when they became Champions of Division Three. The following season the first team won the First Division Championship and they repeated this feat in 1964. However, the following season they were relegated and by the end of the decade they found themselves in the Third Division. It was not until 1979 that they began to get themselves noticed again as they were promoted to the First Division and also managed to reach the N.F.A. Area Cup Final. The 1980-81 season marked the beginning of the emergence of the club as we know it today. With the move to Rothwell Town's Cricket Ground came a more professional approach to the organisation of the club. Coinciding with this the League had re-styled itself as the East Midlands Alliance and lifted its standards, a move much appreciated by the Corinthians. In 1984 the Corinthians gained promotion to the Premier Division. Meanwhile, behind the scenes the club had purchased the land on which the present facilities are located. These facilities were officially opened by Northampton Town in 1986. Season 1989-90 saw the Corinthians lift their first Premier Division Championship. The season 1994-95 saw them secure their second Premier Championship, and after consultation with the United Counties league Management Committee, promotion was secured. Recent seasons has seen three appearances in the Northamptonshire Junior Cup Final with a win registered in 2008. Promotion to the United Counties Premier Division was achieved the same season under the management of Frank Ielapi assisted by Paul Smith. With Ielapi and Smith standing down after one season at the higher level Corinthians changed managers each of the following two seasons but struggled in their time at level 5. They still managed however to win the Youth League Cup and Reserve Supplementary Cup in 2009/10 but the First team dropped back down into Ucl Div1. Shaun Sparrow joined as manager rejuvenating the club with promotion back to the Premier Division in 2015 and more recently with Jim Scott as joint manager saw three mid table finishes. The Reserves have also had recent success with two UCL knockout Cup Finals in 2016 and 2017, winning the first, and were losing finalists in the NFA lower Junior Cup in 2014. Our under 18's losing finalists in the 2018 NSYFL league cup final. Mitch Austin took the reigns for the 2019/20 season and led the team to the 1st Qualifying round of the FA Cup and the UCL Knockout Cup Final before its curtailment.
