## Short History of MK Irish FC

On June 1st 2020 the club was formed when Milton Keynes Robins, Unite MK and Milton Keynes Irish Veterans joined together to operate as one club going into the 2020/21 season, Milton Keynes Irish FC! The first team playing at Step 6 in the Spartan South Midlands Division One, the newly formed reserve team playing in the UCL Reserve Division and the Veterans playing in the Veterans League Division One. There are also an adult team in the Milton Keynes Sunday League.

Our first season as a club was unfortunately brought to an early finish due to the effects of COVID-19. The 2020/21 season was looking to be very promising as we found the first team sitting second in the table after 9 games played with the best PPG in the league and went on an exciting run in the FA Vase which saw us get knocked out in the 3rd round on penalties after advancing through 4 rounds beating three higher league opposition.

The season was officially curtailed, however due to performances under Milton Keynes Robins, the club earned promotion to the Spartan South Midlands Premier Division (Step 5) based on PPG over the previous 2 seasons.

2021 also saw the addition of an U18 Floodlit team (run by MK College under the Adopt a Team Scheme) and another 5 youth teams who came over to join under the MK Irish banner from Scot FC, increasing the number of teams to 11, another 2 youth teams were added in 2022.

THERE'S just something about the FA Cup first round proper draw – you dare not miss it. Growing up, the hazy memory is listening on the radio but now it's a prime time live TV event, usually beamed from a clubhouse of one of the lucky Non-League teams to have got through. Despite the wider national interest being piqued at this stage, we of course all know what goes into reaching even this round

If the FA Cup fourth round qualifying at the feeling of the first round proper draw, then Monday night's first round was a blockbuster.

Recency bias perhaps, but it's hard to remember one in recent seasons that has pulled out so many mega ties – it will be hard for the TV execs to make their live pics that's for sure. Bracknell Town drew League One title chasers Ipswich Town, Hereford are at home to Portsmouth, the winners of the reply between Torquay and Hampton & Richmond host Derby County, Coalville – who stunned Notts County – are off to Charlton Athletic, Alvechurch at Cheltenham Town, South Shields welcome Forest Green, Woking have a home date with Oxford United, Curzon Ashton take on Cambridge United, first round debutants Needham Market travel to Burton Albion...the list goes on and on.

I've written here before about the annual FA Cup-bashing that will start in January, frustration with the elite clubs who want to cancel all replays because of so-called fixture congestions as if it's the solution and the bad wrap the competition, at times, receives. But on Monday we could see in full swing how good the FA Cup is. How much it means. From a packed-Alvechurch clubhouse – where the draw was held – oohing and ahing every time a ball close to theirs was drawn. To the scenes of the Bracknell squad jumping around when they drew Ipswich, or Coalville players celebrating their pairing with former Premier League outfit Charlton – there just can't be a competition in the world quite like it. Every fan and club dreams of having that special run. One that you can dine out on for years. Heroes are made in the FA Cup. And the exciting thing for the players still in this year's cup, they still have that chance to make it them this time. Some clubs will have less high-profile first round draws but they are often the winnable ties that lead to bigger days further down the line. The limelight will fall on many over the next few weeks. For some it will shine even brighter as they have to ready their grounds for big crowds, television cameras and all the circus that comes with it. There will be hundreds of hours put in at Bracknell, for example, as they prepare their intimate Bottom Meadow – home of Sandhurst Town – for the might of Ipswich Town. Only in the FA Cup. There's just something about it.

## MARCH TOWN UTD FC – A BRIEF HISTORY AND FIRST TEAM BIO

March Town played on several grounds in the early 1880's before sharing a ground with March Town Cricket Club at The Avenue. March Town played there until after the war.

As founder members of the Isle of Ely Football League, March played in that League until joining the Peterborough & District League.

After the war they added 'United' to the Clubs' title, reflecting the move to the GER sports ground in Robingoodfellows Lane.

After an unsuccessful spell in the United Counties League, March appointed ex-Norwich City and Notts County player, Oscar Hold as Manager and after two seasons won the UCL Championship.

In the 1955-56 season, March joined the Eastern Counties League and finished runners-up to Peterborough United Reserves. They finished runners-up to Spurs 'A' in the 1960-61 season but had to wait until the 1987-88 season to lift the Championship.

March have won the League Cup once, beating Spurs 3-2 in a two-leg final, with the second leg being played at White Hart Lane.

The Hares have reached the first-round proper of the FA Cup twice, going out to Brentford 4-0 in the 1956-57 season and more recently losing 2-0 at Swindon (1977-78 season). They have jointly held the East Anglian cup with Barking in 1953-54.

March Town now runs three senior sides and a Ladies Team. The 1<sup>st</sup> team play in the United Counties League South, whilst the Reserves, A Team and ladies teams play in the Cambridgeshire Leagues

March Town also has a thriving Youth set up, with the under 18's playing in the Thurlow Nunn League.
