Short History of MK Irish FC

On June 1st 2020 the club was formed when Milton Keynes Robins, Unite MK and Milton Keynes Irish Veterans joined together to operate as one club going into the 2020/21 season, Milton Keynes Irish FC! The first team playing at Step 6 in the Spartan South Midlands Division One, the newly formed reserve team playing in the UCL Reserve Division and the Veterans playing in the Veterans League Division One. There are also an adult team in the Milton Keynes Sunday League.

Our first season as a club was unfortunately brought to an early finish due to the effects of COVID-19. The 2020/21 season was looking to be very promising as we found the first team sitting second in the table after 9 games played with the best PPG in the league and went on an exciting run in the FA Vase which saw us get knocked out in the 3rd round on penalties after advancing through 4 rounds beating three higher league opposition.

The season was officially curtailed, however due to performances under Milton Keynes Robins, the club earned promotion to the Spartan South Midlands Premier Division (Step 5) based on PPG over the previous 2 seasons.

2021 also saw the addition of an U18 Floodlit team (run by MK College under the Adopt a Team Scheme) and another 5 youth teams who came over to join under the MK Irish banner from Scot FC, increasing the number of teams to 11, another 2 youth teams were added in 2022.

THERE would have been a lot of smiling faces at Boreham Wood on Monday night when Sorba Thomas came off the Wales bench to make his World Cup debut. It's the latest chapter in a remarkable rise for the former National League attacker, who is now starring in the Championship for Huddersfield Town. It wasn't all that long ago the 23-year-old was one of Wood's most important players having come through their academy - he regularly returns to give talks to the next generation of hopeful young footballers.

"I genuinely think there is a fine line between arrogance and confidence," Garrard told me last week. "If you're an elite athlete you've got to walk along that line. Sorba does that. He has the confidence in his ability and the arrogance to deliver on it. You see that in his game. That's why he's got his call-up for Wales. "He's got Premier League pace. We've always spoken about that. And he's added to his game, hugely. With us he was always developing. We got him on the coaching side of things so his off-the-field stuff - the tough conversations dropping players in the U19s, people knocking on his door because they're not playing on a Wednesday, these are things he grew off the pitch which helped him grow on the pitch. "I went and watched him in the play-off final last year. I was sat with his friends and family. I don't think I've been as nervous as that for a game I've been involved in, let alone someone else. Because it was like watching someone you've brought up. Now he's going to the World Cup."

He's not the only former Boreham Wood youngster out in Qatar. Sheffield United's Iliman Ndiaye is in the Senegal squad and his rise also has Garrard beaming.

"We went to the PGMOL tournament three years ago where they were using VAR prior to rolling it out, and he scored a goal like Maradona," Garrard says. "We knew he had a special talent. Obviously, he's gone off to Sheffield United and he's with Senegal now. "It's very similar routes (to Sorba). We were fortunate he landed on our lap but the minute he came in it was, 'No, no - this one is special'."

Of course, there are plenty of other former Non-League players at this World Cup. Thomas' team-mate Kieffer Moore turned the game in Wales' favour when he came off the bench. The striker, now in the Premier League, played for Truro City and Dorchester Town before other spells at Forest Green and Torquay United on loan.

He also represented England C in an International Challenge Trophy game against Estonia.

There are players in the Wales squad who have played Non-League like Joe Morrell (Sutton and Margate) and Town Lockyer, who won promotion with Bristol Rovers.

In the full England squad, Nick Pope began at Isthmian League Bury Town. Jordan Pickford had loan spells at Alfreton Town and Darlington, while Callum Wilson turned out for Tamworth and Kettering Town. Ghana striker Antoine Semenyo played on loan for Bath City in 2018.

In recent years we've seen many more examples of players learning their trade in Non-League and landing on world football's biggest stages. There is more than one route to the top. As Garrard adds: "Iliman was at Marseille as a kid, didn't really make it, and was trying to find somewhere to go before he came to us. Sorba was released by West Ham. There are success stories."

BUGBROOKE ST MICHAELS FC – CLUB HISTORY

Bugbrooke St Michaels FC was founded in 1929 and replaced Bugbrooke Utd who wound up in 1927 after playing since 1910. In its early years BSMFC won the central village league from 1932 – 37 and were runners up in the NFA Junior cup. Other successful teams have arisen in each decade since then with the 60's and 70's sides being extremely prodigious in winning trophies.

The club joined the UCL in 1985 and won promotion to the premier division in 1999. This enabled the club to play in the FA cup and FA Vase for the first time. Since joining the UCL the club has run 4 teams 2 of the teams playing in the Northants Combination League.

The club has developed a mini and youth system since the 1990's and currently has 12 mini and youth teams. Many of the teams are regularly successful in the Northants Youth Alliance League.

In 2003 the club became a Community Charter Standard Club and were NFA Community club in 2004/2005. In 2007 the U10's were invited to represent the NFA in a six a side tournament at the new Wembley stadium as a reward for the clubs hard work in the community.

The club has worked hard to improve its facilities since 1980 and has invested a lot of time and money to make them some of the best in the County. They were awarded a Football Foundation grant in 2006 to build new changing rooms and improve social facilities. These were opened in 2007 by John Gregory who is connected to the village by marriage. Improvements continue to be made to the pitch and ground to enable the club to move forward.

2011/12 saw the first team finishing 3rd in their division and winning the Northants Junior Cup. During the season the club completed all the necessary ground requirements to enable promotion and were offered this option for the 2012/13 season. The club thought long and hard about this, but the decision was made to stay in Division 1.

In 2017/18 the Reserves saw success by winning both the League title & securing the Lower Junior Cup.

There was also success for the U18 & U16 teams, many of those players having come through from Bugbrooke U7 level.

We specialise in Health and Safety Training, Plant Training and Consultancy Services for the manufacturing, steel, recycling and defence sectors.
