Short History of MK Irish FC

On June 1st 2020 the club was formed when Milton Keynes Robins, Unite MK and Milton Keynes Irish Veterans joined together to operate as one club going into the 2020/21 season, Milton Keynes Irish FC! The first team playing at Step 6 in the Spartan South Midlands Division One, the newly formed reserve team playing in the UCL Reserve Division and the Veterans playing in the Veterans League Division One. There are also an adult team in the Milton Keynes Sunday League.

Our first season as a club was unfortunately brought to an early finish due to the effects of COVID-19. The 2020/21 season was looking to be very promising as we found the first team sitting second in the table after 9 games played with the best PPG in the league and went on an exciting run in the FA Vase which saw us get knocked out in the 3rd round on penalties after advancing through 4 rounds beating three higher league opposition.

The season was officially curtailed, however due to performances under Milton Keynes Robins, the club earned promotion to the Spartan South Midlands Premier Division (Step 5) based on PPG over the previous 2 seasons.

2021 also saw the addition of an U18 Floodlit team (run by MK College under the Adopt a Team Scheme) and another 5 youth teams who came over to join under the MK Irish banner from Scot FC, increasing the number of teams to 11, another 2 youth teams were added in 2022.

WATCHING Gareth Southgate lead England out for a European Championship qualifier can only mean one of two things - either it's time to prepare for more international tournament heartache, or it's Non-League Day. Naturally, at NLP Towers we much prefer the latter we have a saying that every day is Non-League Day and for that we are truly grateful.

But for those supporters of Premier League and Championship clubs, it's an opportunity to see how the other half live – and maybe even enjoy a VAR-free weekend of football in its purity. Set up as social media experiment by James Doe in 2010, Non-League Day was inspired by pre-season trip to watch Queens Park Rangers play at Tavistock. So now, on an international weekend when the elite clubs sit it out, it's the chance for your local clubs to take centre stage and show the community just what they have to offer.

It's a concept that suits all. While football fans across the country get the chance to explore a new environment closer to their front doors, it also provides a platform for clubs to promote the importance of more affordable volunteer-led community football.

This is a world, remember, where kick offs are predominantly at 3pm, ticket prices are realistic, you can often stand (and drink!) anywhere in the ground and will always be guaranteed a warm welcome by people who run their clubs for a love of the game. Supporters also come along in the knowledge the money taken at the turnstiles does not line the pockets of the multi-billionaire owners who run Premier League clubs of today, but often funds thriving youth set-ups, projects and facilities which are of benefit to the whole community.

Backed by Premier League and Football League clubs, MPs, celebrities, media organisations, charities, Non-League Day has now grown to become an integral part of the domestic football calendar and has been extremely well received by fans with attendances soaring to record high numbers in many cases. This week, ahead of England's Euro 2024 qualifying double header with Italy and Ukraine, we caught up with James, an old friend of The NLP, and he revealed something quite incredible. Just as he was preparing for this weekend's latest instalment, James received a LinkedIn message from the new directors of Spanish La Liga giants Athletic Bilbao!

They told him just how much they liked the concept of Non-League Day and want to do something like this in the Basque Country to help re-engage with their community and highlight grass-roots football in the region.

In January, James and his team flew out to Spain to meet them and received the five-star treatment on a tour of their training ground before visiting their stunning headquarters and a game in the evening. In support of Non-League Day here today, a group of them are coming over to attend Dulwich Hamlet's game against Oxford City – and they even arranged travel packages for supporters to make the trip with them from Bilbao. "When I first came up with the idea of Non-League Day, I didn't expect it to go beyond my circle of friends," Doe told us.

"To be national would have been a miracle, let alone further afield. Non-League Day itself is not the thing – it's all about the clubs, the players, the teams. "That's what is most important. Non-League Day is a celebration of that. Our t-shirts and badges are flying off the shelves. We've had to get more printed!"

Indeed, today is arguably the busiest day of the year for this ever expanding entity. NLD organisers are once again working with Prostate Cancer UK and Kick it Out once again, as well as Francis Duku's Our Game, a service which helps players and clubs in the event of serious injury.

BT Sport are also on board with two live games with Slough Town's visit of Ebbsfleet United kicking off at 12.30pm before Wealdstone host north-west London rivals Barnet at 3pm. All in all, it promises to be another great celebration of the Non-League game. Enjoy your day and here's to the next Non-League Day.

LUTTERWORTH TOWN FC – CLUB HISTORY

Lutterworth Town joined Division Two of the Leicestershire Senior League in 1955. In 1966–1967 they finished second and subsequently promoted to Division One. The club won the Premier Division in 1990–1991, after which they moved from their Dunley Way ground to Coventry Road. The club were relegated again at the end of the 1994–1995 season. Despite only finishing eleventh in 1996–1997 they were promoted to the Premier Division. They returned to Division One after finishing bottom of the Premier Division in 1999–2000.

The club returned to Dunley Way, their original home for the 2012/2013 season and continued with bottom half to mid-table finishes until the 2015/2016 where they were promoted to the Premier Division once again.

2016/2017 season became the clubs most successful season in their 62-year history after winning the Leicestershire Senior League unbeaten resulting in promotion to step 6 of the national league system for the first time ever.

2018/2019 season the club achieved promotion to the United Counties Premier division, the highest level the club has ever been, by winning the division one league in a closely contested final few weeks.

In the FA Competitions, the club has appeared in the FA Cup for the first time during the 2018-2019 season progressing to the preliminary round.

The club has appeared 6 times in the FA Vase with the highest round progressed being the First Round in the 2017/2018 season.
